## Twelfth Installment

Since the publication of Pope Francis's encyclical on the environment, it's very difficult to pretend that climate change is merely a scientific—or political—matter. In *Laudato Si'* Pope Francis makes clear that climate change is a MORAL issue, one which the people of the world MUST attend to immediately. For suggestions on how you can respond to the pope's moral call to the world, Google: "What to Do?
