Mission Statement

The Church of St. Francis Xavier, a
Roman Catholic parish in the Jesuit
tradition, strives to be a prophetic,
welcoming community, and an
inclusive witness to the presence of
Christ Jesus in our midst. Mindful of
our utter reliance on God, and need
for God's grace, we rejoice together
in our celebration of the sacraments
and proclamation of the Gospel.

As a people of hope, we commit ourselves through
prayerful and creative discernment to respond to
God in our time by: Being a respectful community
Where seekers and their questions are welcomed,
Where injustice is challenged, Where the poor, the
alienated and the marginalized find a home,
And where people are refreshed,
reconciled and renewed.

Dear Parishioners,

When a group of us met on November 1st to discuss the Advent Season and Scriptures, we came up with a theme that we thought reflected the joy, the expectation and the hope for the future that is embedded in the Advent scriptures. We also noted the many examples of growth and flowering from unexpected places.. And so the theme for this Advent season that we thought reflected this movement of the scriptures is “We Wait and Walk in Joyful Hope”. After the events of these past weeks, however, I wonder if there should be question marks at the end of the sentence. “ We Wait and Walk in Joyful Hope???” As we enter this Advent season, there are so many that are anxious, worried, fearful of the future. Wherever we may stand on issues, in our hearts we know that the divisions that separate us and the fear that new leadership will not hear the “cry of the poor, the marginalized, mother earth herself” will be the cause of pain, disappointment and disillusionment. So how can we “walk and wait in joyful hope”?

At a time like this when we are wondering what the future holds, I believe that we can take some encouragement from the Advent Scriptures that remind us that God is accompanying us on our journey and that God is creating life and hope where there was only barren soil. It is one of the reasons that we have decided to use a “peace garden” as a primary symbol during the Advent Season. A garden is the place where we wait expectantly for the surprise of new growth, beauty, flowering and blossoming. A garden can be such a peaceful place where we are invited to contemplate the mystery of life and growth. The scriptures speak so powerfully of changing instruments of war and destruction into instruments of peace and growth. “They will turn their swords into plowshares and their spears into pruning hooks” We know this seems like a “pipe dream” since there are still so many places ravaged by sectarian conflicts, war and terror. And yet we hear the prophet Isaiah’s vision of a “peaceable kingdom” and hear the psalmist sing “Justice and Peace shall kiss, Loving Kindness and Truth shall meet”.

In the midst of anxiety and fear about the future, I’m hoping that our Xavier Parish community can be a source of joy as we walk together in faith, hope and love. One of the sources of joy for me, in addition to getting to know more and more of the wonderful people who call Xavier their spiritual home, has been my work on Christmas Revelations. For 35 years I have been creating a “Christmas Spectacular” that rivals Radio City Music Hall’s. (except for the camels!) ☺ Although I was wondering whether I’d be able to continue the tradition with my move to Xavier, I’m happy to say that it’s a GO! The performance will be held at the Sheen Center on December 17/18. I hope you will be able to attend one of the performances that will give you a glimpse of a God who loves to share our stories and our dances.

I hope and pray that the question marks at the end of “We Walk and Wait in Joyful Hope” will become !!! as we journey together during this Advent Season. (See the other side for opportunities to “share the joy”.)

Sincerely,
Father Bob

WORLD AIDS DAY MASS

On Friday, December 2, 2016 at 7:00 PM, the community of Saint Francis Xavier will commemorate World AIDS Day with a mass in the main church.

Observed worldwide since 1998, World AIDS Day unites people from around the world to raise awareness of the global AIDS response.

Please take this time to be with us and pray for those we have lost, for those currently living with HIV/AIDS and that one day we will "Get to Zero".

REMEMBER XAVIER WHEN CONSIDERING A YEAR-END GIFT

First we want to thank all of you who have given so much of your time, talent, and treasure to support our parish throughout the year. As the end of the year approaches, we begin to reflect upon the many blessings bestowed upon us. The end of the year also provides a great opportunity to thank God for these blessings by gifting to Xavier. The parish is budgeting a \$49,408 deficit for this fiscal year and projecting deficits totaling \$65,000 over the next three years. Your year-end gift can help us reduce this deficit and thereby allow us to continue to celebrate vibrant liturgies and support our many ministries.

The benefits of income tax deductions, capital gains savings and other financial benefits are significant advantages that provide an incentive to make a gift at the year-end. A gift can also help support Xavier for years to come. There are many different ways of contributing a gift. Two of the easiest and most direct methods to gift are donations of cash and appreciated stock or other investments. You can also make other financially advantageous gifts such as real estate, life insurance, charitable remainder trusts, gift annuities, will/trust bequests and IRA/retirement accounts. For more information on how you can help make a difference by contributing a year-end gift please contact *Jim Martinez* in the parish office.
