Mission Statement

The Church of St. Francis Xavier, a
Roman Catholic parish in the Jesuit
tradition, strives to be a prophetic,
welcoming community, and an
inclusive witness to the presence of
Christ Jesus in our midst. Mindful of
our utter reliance on God, and need
for God's grace, we rejoice together
in our celebration of the sacraments
and proclamation of the Gospel.

As a people of hope, we commit ourselves through
prayerful and creative discernment to respond to
God in our time by: Being a respectful community
Where seekers and their questions are welcomed,
Where injustice is challenged, Where the poor, the
alienated and the marginalized find a home,
And where people are refreshed,
reconciled and renewed.

From the Pastor's Desk

Dear Parishioners,

By the time you are reading this, the Pastoral Council, heads of ministries and Parish staff will have met in a day-long meeting to ask some very important questions about parish life. We want to have a better idea of who we are as a parish community and how we can better serve all who consider Xavier their spiritual home. We also want to explore ways in which we can engage our parishioners in parish activities that include spiritual and theological formation as well as service and outreach. There are many people who come to Xavier and find it a place of welcome where the Spirit of God is very much alive. There is something contagious about the energy that comes through the active participation of parishioners in the liturgy. This spirit overflows into service at the Mission, and a host of other ministries.

At the same time, there are many who may want to become more involved and engaged but don't know how to do this. There may be people who see themselves in a certain demographic whose needs are not being met. We pride ourselves as being a very welcoming and inclusive Catholic parish but there is always room for growth. These are some of the challenges we will be addressing at our meeting.

I am sure that we will also be speaking of the climate of "mistrust" that is pervasive in our country. As Catholic Christians we face a dramatic challenge of acting in a way that is in alignment with our social justice teaching, especially as it is articulated in the Beatitudes and the Sermon on the Mount. We will need to address the ways in which we at Xavier can "let our light shine before others, that they may see our good deeds and give God greater glory".

Let us pray for each other, for our church and especially for our country!

Sincerely,

Fr. Bob

Attention ALL Fellow 20 & 30-Somethings! The countdown continues... Yes, our first monthly meeting of the year is fast approaching! We invite you and your friends to join us: **Sunday, Feb. 12th**, immediately following the 5pm mass in the West Room.
