Mission Statement

The Church of St. Francis Xavier, a Roman Catholic parish in the Jesuit tradition, strives to be a prophetic, welcoming community, and an inclusive witness to the presence of Christ Jesus in our midst. Mindful of our utter reliance on God, and need for God's grace, we rejoice together in our celebration of the sacraments and proclamation of the Gospel. As a people of hope, we commit ourselves through prayerful and creative discernment to respond to God in our time by: Being a respectful community Where seekers and their questions are welcomed, Where injustice is challenged, Where the poor, the alienated and the marginalized find a home, And where people are refreshed, reconciled and renewed.

From the Desk of the Pastor

As I write this on Wednesday afternoon, the election results are still being counted and it seems as though there will be no clear resolution before the end of the week. Two immediate takeaways from that are the extraordinary number of voters who turned out to make their voice heard and the fact that we are pretty evenly divided as an electorate between the two parties.

We should celebrate the voter turnout as well as the wonderful efforts by election officials to conduct a relatively trouble-free election day. They are signs of the vitality of our election process. Given the closeness of the election and its contentiousness, there will inevitably be court battles over recounts, possibly dragging out the final decision some more.

In the face of the divisiveness, we need to pray for healing and reconciliation in our country. We need to work for unity and civility. While holding fast to our own values and opinions, we need to be open to different viewpoints and attempt to find mutual common ground.

As Catholics we stand for the dignity of each human being which includes loving our enemy, praying for those who disagree with us and always treating people with respect.

Pope Francis, in his recent encyclical, *Fratelli Tutti*, writes: “A living and dynamic people, a people with a future, is one constantly open to a new synthesis through its ability to welcome differences. In this way, it does not deny its proper identity, but is open to being mobilized, challenged, broadened and enriched by others, and thus to further growth and development.”

We need to work. On being that “people with a future.”

Let us pray for one another and for our country and our world.

A CALL FOR XAVIER’S VOICES OF COLOR

Among Xavier’s blessings is a rich community of people of color whose experiences of life and faith are integral to the Xavier mission. This is a call for the formation of a group to give expression to these many voices - a Multi-Racial Team for Social and Economic Justice comprised of Xavier’s people of color. One project we will undertake is to build an oral history remembrance archive to give lasting historic voice to our individual and collective experiences as people of color in New York. Once we gather, this will be a springboard for other efforts. If interested, please contact *Lynda Stewart-Kennedy* at multiracialteam@sfxavier.org.

REMEMBER XAVIER WHEN CONSIDERING A YEAR-END GIFT

First, we want to thank all of you who have given so much of your time, talent, and treasure to support us throughout the year. As the end of the year approaches, we begin to reflect upon the many blessings bestowed upon us. It also provides a great opportunity to thank God for these blessings by gifting to Xavier. Over the years, it has been the gifts left to Xavier that have helped us to continue to operate as a welcoming community and place of worship where injustice is challenged, where the poor, the alienated and the marginalized find a home, and where people are refreshed, reconciled and renewed. Your year-end gift can help us continue to celebrate vibrant liturgies and support our many ministries. Belonging to Xavier offers many blessings. Those blessings multiply when we commit our time, treasure, and talent to its work.

The benefits of income tax deductions, capital gains savings and other financial benefits are significant advantages that provide an incentive to make a gift at the year-end. A gift can also help support Xavier for years to come. There are many ways of contributing a gift. Two of the easiest and most direct methods to gift are donations of cash and appreciated stock or other investments. For more information on how you can help make a difference contact the parish office.
